

ISDN Voiceover Studio near Theatre Royal, Bath

Do you need an ISDN, Source Connect or ADR voiceover studio?

Sounds Visual Voiceover Studios is based in Bath and is used regularly by visiting actors who need to hook up with studios and post production houses in London and elsewhere to record voiceovers, ADR and interviews.

We have a voice booth & ADR room equipped with ISDN, Source Connect, Audio TX and phone patch to connect you to any studio in the world in real time.

The ADR studio features a choice of industry standard microphones including Neumann U87 and large HD monitor.

Other services

- ▶ Sound design and sound effects for theatre
- ▶ Voiceover and singing showreel editing & production (special discount available)
- ▶ Audio file conversions and audio repair & restoration using iZotope RX5 Advanced.
